Detailed Information for Fiscal Year 2017

Property Tax Deferrals (Clause 41A)

and associated Water and Sewer Deferrals under Ch. 40, Sec. 42J and Ch. 83, Sec. 16G

LET THE VALUE OF YOUR HOUSE PAY YOUR PROPERTY TAX

Age	You or your spouse must be 65 or older on July 1, 2016 for the Fiscal Year 2017.
Benefit	<ul style="list-style-type: none">• Payment of any or all of your property tax and water/sewer charges can be postponed until the home is sold, conveyed, transferred to a trust, you or your surviving spouse die, or until you choose to pay off the deferral.• You can never be forced to move or sell your home under this program.• Use any single property tax exemption for which you qualify <u>first</u> and then defer all or part of the rest of your property tax.• The fixed interest rate for FY2017 Deferrals is 0.66% (simple interest)
Income and Assets	<ul style="list-style-type: none">• Up to \$70,000 gross income, married or single is based on Calendar 2015 income.• No asset restrictions.
Ownership and Residency	<ul style="list-style-type: none">• Massachusetts must have been your state of primary residence for the past 10 years as of July 1, 2016.• You must have owned and occupied a home anywhere in Massachusetts for the past five years as of July 1, 2016.• Please note: Every other person with any legal or beneficial interest in the property must give written approval for the deferral (e.g. co-owners, banks that hold a mortgage, home equity loan, second mortgage, etc.) via a Tax Deferral Agreement Form.
Other limits	<ul style="list-style-type: none">• Property taxes can be deferred to a maximum cumulative total of half the value of your home.... many decades of potential deferral.• Upon the death of you or your surviving spouse or upon the transfer of the home's ownership, the annual interest rate on the amounts owed will increase to 16% until paid.
To apply	<ul style="list-style-type: none">• Contact the Assessor's office at 781-698-4578. The filing deadline for FY2017 is April 3rd 2017.• After qualifying for the Property Tax Deferral, contact the Board of Selectmen at 781-698-4580 to apply for <u>deferral of water/sewer charges</u>.

How it works:

- Each year's deferral is like an individual loan for that year's tax amount at that year's interest rate. It is a fair rate, generally 3% below the Prime Rate, and by law, can never be higher than 8%. During your lifetime and that of your surviving spouse, and as long as you own your home, the interest for the amount you defer in FY2017 will never be higher than 0.66% . After the property is sold or your death, the annual interest rate increases to 16% until the deferred taxes are repaid.
- As long as you or your surviving spouse continue to qualify, you may enter into new deferral agreements for any subsequent year's property tax and water/sewer charges at the interest rate set for that year.

Why is this an attractive option?

Tax deferrals are a safe and inexpensive way to free up some of your income. Using the equity in your home to pay your property tax and water/sewer charges will allow you to enjoy the use of thousands of dollars that would otherwise have gone to paying those bills.

Further limitations may apply. Contact Assessor's Office for complete details.

If your home is held in trust, you must provide a copy of the trust showing that you are a trustee and a copy of the schedule of beneficiaries showing that you have a beneficial interest. Both the trust and the schedule of beneficiaries must be recorded at the Registry of Deeds.

Property Tax Deferral Example

In 2016, a senior couple owning a \$550,000 house decided to start deferring their entire property tax bill every year. In Year Seven, they decide to sell the house and move into an assisted living facility.
